

To the Registrar:

I am requesting an original, **physically* signed, sealed and embossed** divorce certificate as well as a hard copy of the signed Divorce Order.

If I decide to get married again in the future, I will need an **original divorce certificate to get a marriage license. Most marriage license offices in Ontario currently do **not** accept printouts of PDF-only certificates.*

Court File Number*: _____
** top right corner of your Divorce Order*

Requested by: _____
your name
